LARRY HOGAN  
GOVERNOR

STATE OF MARYLAND  
OFFICE OF THE GOVERNOR

Dear State Employees and Retirees,

We are pleased to announce the launch of the 2021 [Maryland Charity Campaign](#) (MCC), the state's annual charitable workplace giving program. This year's theme is **MD Gives, Inspires Hope**, and we are asking you to participate and help us make a difference in our communities.

The COVID-19 pandemic took a significant toll on Maryland communities and across the globe. I was incredibly proud of the generosity of our state employees and retirees who raised more than \$2 million during last year's campaign and provided relief to those who needed it most. Your contributions to the 2021 MCC will continue to help neighbors in our state, nation, and around the world.

Your donations will support more than 1,000 participating charities in the 2021 MCC, and will empower organizations to improve the lives of individuals, families, and communities. The variety of charities participating in this year's campaign include finding a cure for various diseases as well as helping the hungry, seniors, and veterans.

Your compassion and generosity demonstrate the strength of our state, and we encourage you to donate to the 2021 MCC by visiting the campaign's [website](#).

Thank you for your continued service to our state and for opening your hearts to help those in need. We are honored to serve beside you as we continue changing Maryland for the better.

Sincerely,

Larry Hogan  
Governor

October 2021

Dear Fellow Maryland State Employees and Retirees:

Each of us gives for a personal reason. Whether we give to pay it forward, give back, or support a specific cause, giving is deeply personal. The 2021 Maryland Charity Campaign (MCC) combines our collective individual efforts into a large movement of generosity. I am grateful for and proud of Maryland State Employees and Retirees and am in awe of our collective commitment to serving those in need. ***MD Gives, Inspires Hope!***

I am writing today to ask you to please join me and give to a cause you are passionate about through the 2021 MCC. Whatever your reason for giving, your contribution makes a huge impact when combined across the State. The MCC reduces the administrative burden on charities and allows charities to plan their budgets since giving by payroll deduction provides revenues to charities throughout the year.

As you consider giving to one or more of the MCC participating charities, know that each charity has been pre-vetted, assuring donors that the charities are trustworthy. Charities in the MCC represent causes that range from food insecurity to human trafficking, domestic violence to homelessness, health care to the environment and so much more. A contribution of any amount helps. Donors may choose how to give: through a one-time gift, recurring payroll deduction, debit or credit card, or electronic check.

Did you know that your donation to the MCC may help a co-worker? Yes! A co-worker in the cubicle next to yours or down the hall may be a victim of domestic violence, suffering from an incurable disease, or may be a struggling veteran, etc. Suffering transcends economic boundaries. Our fellow State Employees and Retirees may benefit from the MCC, as do our neighbors around the State and around the globe.

Please join me and give today! Check out the scores of participating charities in the Giving Guide <https://mcc.maryland.gov/>.

Maryland State Employees and Retirees are among the most compassionate and generous individuals anywhere! On behalf of the participating charities, and those they serve, thank you from the bottom of my heart for your generosity! ***MD Gives, Inspires Hope!***

Sincerely,

A handwritten signature in black ink that reads "John C. Wobensmith".

Secretary

## A Message from the 2021 Maryland Charity Campaign Vice Chairs

October 2021

Dear colleagues,

We are honored to serve as Vice Chairs of the 2021 [Maryland Charity Campaign](#) (MCC)!

The 2021 MCC theme: ***MD Gives, Inspires Hope*** offers a beacon of hope for charities and those whom they serve. Maryland State employees and retirees ***Give and Inspire Hope*** every day! Participating charities have relied upon the generosity and heartfelt goodness of our State employees and retirees through the MCC for decades. Each year, in good times and lean, you recognize the need and step up to lend a hand! ***YOUR Giving Inspires Hope!*** Hope for the hungry, sick, illiterate, and suffering among us, for our often forgotten furry friends, and so many others!

The 2021 MCC enables all of us to improve situations for our neighbors by donating to your choice of over 1,000 pre-vetted charities that support many causes near and far.

Did you know that if each of us gives just \$1 a paycheck (the cost of a soda), or \$26 a year to the 2021 MCC, we would meet our \$2M goal? Now, think about the difference that our collective generosity would make if we each gave just \$5 per paycheck, the cost of a cup of coffee! WOW! Can you sacrifice \$5 per pay period, \$130 a year? On behalf of moms, babies, the hungry, those learning to read, thank you for inspiring hope, regardless of the amount you give! ***MD Gives, Inspires Hope!***

Please join us and give to the 2021 MCC today at <https://mcc.maryland.gov>. Invite your co-workers to join you in giving. The more we spread the word the more ***MD Gives, Inspires Hope!***

Sincerely,

Jimmy Rhee

# Why Give Through the MCC

The Maryland Charity Campaign (MCC) provides an opportunity to touch the lives of those in need; to sustain local, state, national, and international health, educational, environmental, and human service organizations, to name a few types of charities; and to make a meaningful contribution to your community. And the MCC is so much more:

- The MCC provides a single, coordinated appeal, rather than hundreds of individual drives.
- The MCC is the way for State employees and retirees to participate in the effort to meet local, national, and international causes that mean the most to them.
- More than 1,000 charities are eligible for donations.
- Pledge now and pay in 2022. Payroll deductions make it easier to afford a more generous gift, allowing donors to make smaller contributions from each paycheck.
- Charities that receive MCC donations may devote their MCC funds to areas where they are needed most. That's a value-add for the donor *and* the charity.
- Donations are aggregated before they are disbursed to charities, significantly reducing the administrative burden on designated charities, which will not be burdened by processing thousands of potential individual donations. The Campaign uses a state-of-the-art workplace and employee giving platform designed with Maryland's employees in mind and is intuitive and user-friendly.

## Ways Your Donation Makes an Impact!

In 2020, the Maryland Charity Campaign (MCC) raised more than \$2 million for nearly 1,000 worthy causes. Help us raise even more in the 2021 MCC to help local, national, and international charities achieve their respective missions.

- Once you are logged in, your username will display in the upper right corner of the screen.
- Click “**Give Now**” to start the pledge process.

### **Donors WITH Giving History:**

If you participated in the 2020 MCC, your online payroll giving history has already been loaded into the giving site. If you would like to support a new nonprofit this year, then you can select the “**Start a New Gift and Designations**” option. Alternatively, you can easily renew (or edit) your payroll gifts from last year by clicking “**Renew a Gift from Last Year**” to proceed.

If you choose to renew a gift, on the next screen you will have the option to keep your donation at the same dollar amount as last year or edit the amount. Once you have made your gift selections, click “**Make Changes**” to complete your transaction. **Note:** Online payroll gifts are the only donations that are renewable.

Whether you renew a gift from last year or start a brand new gift this year, you will next be asked to “**Edit your profile.**” Information you enter will be provided to the nonprofits you support through this Campaign so they can acknowledge your gift upon your request. The email address listed in your profile is also where the confirmation email will be sent upon completion of your donation. You should keep a copy of this email for tax purposes.

Select “**Continue**” when you have finished updating your contact information.

**Note:** If any prior year donations are not reflected in your giving history, it may be due to one of the following reasons:

- You gave by credit/debit card, electronic check, or paper check.
- You gave to a charity that is not eligible in the current Campaign year. Charities that are not listed may not have applied or may not be eligible to participate.
- You gave by paper pledge. Only online pledges are retained in the giving portal.

**To obtain pledge history, please contact Donor Services Help Desk by any of the following methods:**

**Option 1** = Email: [mcc@charities.org](mailto:mcc@charities.org)

**Option 2** = Phone: 571-458-1072

**Option 3** = Donor Services Help Desk: [www.charities.org/support](http://www.charities.org/support)

## Donors *WITHOUT* Giving History:

After clicking “**Pledge Now**” from the landing page, you will be asked to “**Edit your profile**.” If you opt in at the end of the giving process, information you enter will be provided to the nonprofits you support through this Campaign so they can acknowledge your gift. The email address listed in your profile is the same email address to which your confirmation email will be sent upon completion of your donation. You should keep a copy of this email for tax purposes.

Select “**Continue**” when you have finished updating your contact information.

## Step 2: Select a Payment Method

You may support your favorite nonprofits online via the following payment methods:

- **Payroll Deduction**
- **Credit Card or Debit Card**
- **Electronic Check**

Click “**Add**” to choose a payment method. You will then see a screen prompting you to set up your gift payment frequency and amount based on the payment method you selected.

**NOTE:** To donate using multiple payment methods, please complete all donations for each payment method in separate transactions. For example, if you select “Payroll Deduction,” choose all the charities you would like to support via payroll deduction and complete the donation process. After you submit your payroll deductions donations, then go back and select a different payment method, for example “Credit Card,” then choose the charities you would like to support by credit card, and complete the donation process for those charities.

**Payroll Deduction:** The amount you enter is the amount you would like deducted from your paycheck **each pay period**.

1. Once you enter an amount, it will automatically use the number of pay periods to calculate your total annual gift. That information will display on the right side of your screen under the “**Your Pledge So Far**” section.
2. In the next step, you will allocate the total annual gift amount between your designated charities.

## Credit Card or Debit Card:

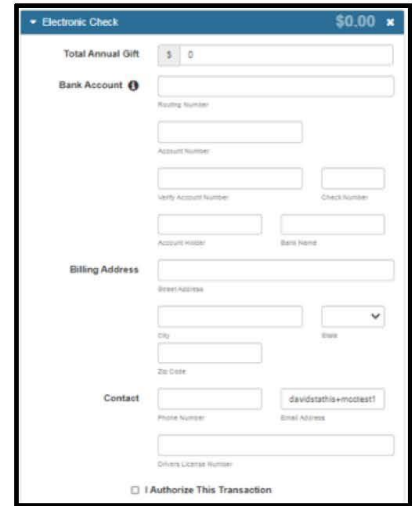

1. The amount you enter is the **total annual gift** amount you would like to donate. That information will display on the right side of your screen under the “**Your Pledge So Far**” section.
2. In the next step, you will allocate that total annual gift amount between your designated charities.

**Electronic Check:**

1. The amount you enter is the **total annual gift** amount you would like to donate.
2. For information on how to locate banking information, click the icon next to **“Bank Account.”**
3. Be sure to check the box at the bottom to authorize the transaction.

Once you have finished entering your payment method preferences, click **“Continue”** to find charities to support.

You can always return to this step later in the process to adjust the total amount you would like to donate.

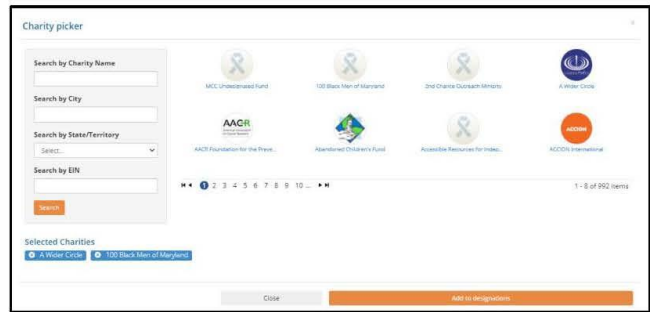

**Step 3: Choose Your Favorite Charities to Support**

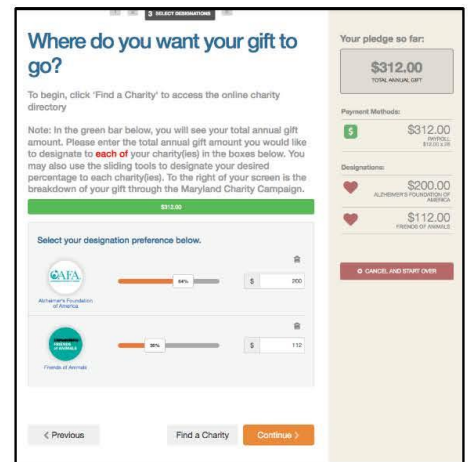

**To find charities to support:**

Click the **“Find a Charity”** button.

1. A pop-up box will appear. Use the charity name, city, state/territory, or Employer Identification Number (EIN) search features to find a specific charity or click through the alphabetical list.
2. You can select as many charities to support as you would like. As you find charities you want to support, click **“Add”** and they will appear highlighted in blue under **“Selected Charities.”**
3. Click the orange **“Add to Designations”** button. The organization(s) you selected will now display on your list of designations.
4. Next, allocate your total pledge amount between the charities you added to your list of designations. To specify how much money to donate to each, use the slider tool or enter the exact amount in the donation box next to the charity.
5. If you do not designate a charity, your donation will be considered as undesignated funds. Undesignated funds are not designated to a specific MCC charity by a donor and/or are moneys raised during special events. The Executive Order requires undesignated funds to be distributed proportionally among the participating charities based upon the percentage of funds designated to each charity.

To adjust the total annual amount you would like to pledge, click the **“Previous”** button to return to the payment method screen. The charities you selected will all remain saved on your list until you are ready to submit your pledge.

When you have finished allocating your donation between charities, click **“Continue.”**

---

## Step 4: Submit Your Pledge

1. You will have one final chance to review your gift and designations, and will be able to select whether your gifts remain anonymous or grant permission to share your contact information with the charity(ies) you selected.
2. Click “Finish” to submit your pledge.

The screenshot shows a 'Review and complete gift' page. On the left, there are two checkboxes with text: 'By checking this box, I choose not to release my contact information (name, mailing address or email address) to the charity(ies) designated or to the public where it could be viewed in an Annual Report, newsletter, or printed or electronic materials, or a website.' and 'For Release: By clicking this box, you do not consent to share your name, address and email with the Office of the Secretary of State and the MCCC Operating Agency for the purpose of receiving communications, including a pledge card and charity directory, about future Maryland Charity Campaigns.' Below these are 'Previous' and 'Finish' buttons. On the right, a summary box shows 'Your pledge so far: \$312.00 TOTAL ANNUAL GIFT'. Below this, 'Payment Methods' are listed: 'PAYROLL DEDUCTION \$312.00' and 'CREDIT CARD \$112.00'. 'Designations' are listed as 'MCC \$112.00' and 'AMERICAN CHARITIES \$200.00'. At the bottom right is a 'Back to My Pledge' button.

---

## Step 5: Repeat Process to Make Additional Donations or to Modify Your Gift

If you would like to make additional donations or edit your pledge, you may edit your payroll donations anytime during the Campaign enrollment period. To cancel or modify a credit card, debit or electronic check donation, please contact America’s Charities at 571-458-1072 or [mcc@charities.org](mailto:mcc@charities.org).

1. Log into the pledge site and click “**Pledge Now.**”
2. You will be given two options:
  - a. “**Modify a gift from this Campaign.**” If you would like to edit a payroll deduction pledge you already submitted, select **Modify A Gift...** open your existing pledge and make your edits. You can only modify a gift while the campaign is actively open.
    - i. You **MUST** complete all steps of the pledge process to return the gift to a completed status, **otherwise the gift will not be processed.** Modifications to credit card, debit card or electronic check donations must be made through America’s Charities at 571-458-1072 or [MCC@charities.org](mailto:MCC@charities.org).
    - ii. “**Start a new gift and designation.**” Select this option if you would like to make a new credit card or new payroll donation.

## Maryland Charity Campaign Frequently Asked Questions

### 1. WHY SHOULD I CONTRIBUTE THROUGH THE MCC?

The MCC is a convenient, cost-efficient method to donate through the ease of payroll or pension deduction, credit or debit card, or electronic check! The MCC also:

- **Is accountable:** all participating charities have been pre-screened by the Office of the Secretary of State to ensure that they are trustworthy and meet the requirements to participate.
- **Makes a difference:** the community-at-large can identify the commitment of State employees and retirees, knowing that their altruism is making an impact in communities near and far.
- **Creates an opportunity:** State employees and retirees may contribute to charitable organizations in a uniform process through one annual campaign.
- **Gives donors the power:** donors choose the amount and the charity or charities to receive their gifts thus providing donors the opportunity to contribute to one that touches their hearts.
- **Is tax deductible:** All funds given to charities through the Maryland Charity Campaign are tax deductible.
- **Is easy:** donors can choose how to give: through payroll or pension deduction, a one-time credit or debit card contribution, or a one-time gift by electronic check.

### 2. WHAT HAPPENS TO UNDESIGNATED CONTRIBUTIONS?

Undesignated contributions are distributed among MCC-participating charities based upon the percentage of the designated funds they receive. If a donor does not designate a charity to receive their donations, designation is not specified, those funds will be treated as undesignated. Charity write-ins are not permitted, every charity is pre-vetted.

### 3. WHAT HAPPENS IF A CHARITY I WANT TO GIVE TO ISN'T LISTED?

The Office of the Secretary of State vets every participating charity to determine their eligibility to participate in the MCC. Only those charities listed have been approved to participate in the MCC, charities that are not listed may not have applied or may not be eligible to participate.

### 4. HOW DOES A CHARITY BECOME PART OF THE MCC?

Each charity must apply annually and meet the criteria set forth in the Executive Order.
