GOVERNOR

STATE OF MARYLAND
OFFICE OF THE GOVERNOR

Dear State Employees and Retirees,

We are pleased to announce that our state's annual charitable workplace giving program, the 2022 [Maryland Charity Campaign](#) (MCC), will launch on October 3, 2022. We invite you to join us in donating to causes you care about through the campaign. With more than 900 charities participating in the campaign this year, focusing on issues ranging from food insecurity to human trafficking, domestic violence to homelessness, health care to the environment, and so much more, we know you will find causes that are close to your heart.

Last year, our state employees and retirees raised more than \$2 million through the MCC, which continues now thanks to our donors who donated through payroll deductions. To those that donated and pledged last year, thank you as your incredible generosity is inspirational and a true testament to the people of our state. Your donations truly exemplify how we are **Mountain to Shore – Maryland Strong!**

Once again, we have an opportunity to provide crucial support through this year's campaign. Please visit <https://mcc.maryland.gov/> today and click 'Give Now' to start the giving process. Through the MCC, each pledge or donation you make becomes more meaningful as it's combined with your colleagues' contributions. Every dollar matters, and a donation of any size makes a meaningful impact.

Regardless of the method used to donate—whether through payroll deduction, debit or credit card, or electronic check—all donations add up to a lasting difference.

Thank you for your continued service to our state and for helping those in need.

Sincerely,

Larry Hogan

October 2022

Dear State Employee:

The 2022 [Maryland Charity Campaign](#) (MCC), Maryland's workplace giving program offering State employees and retirees an opportunity to contribute to causes they care about, is officially underway, as of October 3, and runs through December 12. Please join me and give to a charity, or charities, that you matter to you.

This year, our goal is to raise \$2 million for the 900+ charities participating in the MCC. The need is greater than ever! Your donation, of any amount, is a tremendous help to both your favorite causes, and the most vulnerable among us.

Please visit the MCC website, <https://mcc.maryland.gov/> to learn more about our Campaign, the impact of your donations, peruse videos submitted by our participating charities, learn about weekly giveaways, or find a new cause that you weren't aware of. You will also find a Giving Guide, which provides information on ways to donate, step-by-step giving instructions, an infographic on the impact your dollars, answers to your frequently asked questions, and our charity directory- the list of our participating charities along with short descriptions.

Click the "Give Now" button to access the MCC's giving portal. Now, you're just a few clicks away from making a big difference. To start your donation or pledge, simply click "Sign In" and enter the username and password you created previously or register for a new account. Follow the prompts to find your favorite causes and give by payroll deduction, debit or credit card, or electronic check.

Once you have given, please spread the word! We encourage you to share a few words about why you gave or the charity close to your heart on [Facebook](#) or [Twitter](#) to inspire other state employees to give. Or, you're welcome to copy and paste the pre-written messages in our social media tool kit, which you can access on the [MCC website](#). Please tag the MCC and use our Campaign hashtag #MCCMatters so we can amplify your message.

I am incredibly grateful for your compassion and generosity. Thank you for your time and continued service to the citizens and communities across Maryland and beyond. This year, let's show how we are **Mountain to Shore- Maryland Strong!**

Sincerely,

A Message from the 2022 Maryland Charity Campaign Vice Chairs

October 2022

Dear State Employee,

We are honored to announce that we are serving as Vice Chairs of this year's [Maryland Charity Campaign](#) (MCC). We are both long-term supporters of the MCC, our workforce's annual giving drive, and we are pleased to take on this role in an effort to raise awareness among our colleagues – and ultimately raise even more money for communities across Maryland.

There are a few reasons why the MCC stands out as an efficient and effective fundraising campaign for donors and charities alike. First, the MCC has a wide variety of causes from which you can choose. Whether you want to support small, local organizations, or large, statewide foundations, you can do that through the MCC. Whether you want to cure diseases, feed the hungry, encourage literacy, support the arts, care for our veterans, preserve natural resources, prevent recidivism, or some other worthy endeavor – the MCC's more than 900 charities mean that there is truly something for everyone.

Another benefit is that each penny donated or pledged through the MCC packs a powerful punch. That's because donations are aggregated before they are disbursed to charities, so your funds are bundled with that of your colleagues all across the state. That not only significantly reduces the administrative burden on charities because they don't need to process thousands of individual payments, but it means you can give whatever amount fits your budget, and it makes a real and lasting difference. Truly, every cent matters.

The MCC also helps charities provide even more services for a longer period of time because these causes are getting vital funding now from one-time donations, and getting funding next year, from payroll giving. And those who pledge this year and pay out next year via payroll deduction get to set it and forget it. In other words, a few clicks now means making a difference throughout all of next year through a set amount each payroll period. So this year, we are asking you to "go big" and consider giving more than you ever have before. That is powerful generosity, and that is a great example of how we can be, together, **Mountain to Shore – #Maryland Strong!**

We look forward to connecting with you this year as we work to highlight the many other benefits of the MCC. For now, we ask that you please visit <https://mcc.maryland.gov> to learn more, give when you're ready – but don't delay too long, the MCC ends on December 12! Be sure to invite your friends and co-workers to join you in giving back.

Sincerely,

Robert L. Green
Secretary, Department of Public Safety
and Correctional Services

Jeannie Haddaway-Riccio
Secretary, Department of Natural Resources

Why Give Through the MCC

The Maryland Charity Campaign (MCC) provides an opportunity to touch the lives of those in need; to sustain local, state, national, and international health, educational, environmental, and human service organizations, to name a few types of charities; and to make a meaningful contribution to your community. And the MCC is so much more:

- The MCC provides a single, coordinated appeal, rather than hundreds of individual drives.
- The MCC is the way for State employees and retirees to participate in the effort to meet local, national, and international causes that mean the most to them.
- Nearly 1,000 charities are eligible for donations.
- Pledge now and pay in 2023. Payroll deductions make it easier to afford a more generous gift, allowing donors to make smaller contributions from each paycheck.
- Charities that receive MCC donations may devote their MCC funds to areas where they are needed most. That's a value-add for the donor *and* the charity.
- Donations are aggregated before they are disbursed to charities, significantly reducing the administrative burden on designated charities, which will not be burdened by processing thousands of potential individual donations. The Campaign uses a state-of-the-art workplace and employee giving platform designed with Maryland's employees in mind and is intuitive and user-friendly.

Ways Your Donation Makes an Impact!

More than 6,400 State employees and retirees raised \$2,050,426 for more than 1,000 worthy causes in the 2021 Maryland Charity Campaign (MCC). Help us raise even more in the 2022 MCC to help local, national, and international charities achieve their respective missions.

Donors WITH Giving History:

If you participated in the prior year's MCC, your online payroll giving history has already been loaded into the giving site. If you would like to support a new nonprofit this year, then you can select the “**Start a New Gift and Designations**” option. Alternatively, you can easily renew (or edit) your payroll gifts from last year by clicking “**Renew a Gift from Last Year**” to proceed.

If you choose to renew a gift, on the next screen you will have the option to keep your donation at the same dollar amount as last year or edit the amount. Once you have made your gift selections, click “**Make Changes**” to complete your transaction. **Note:** Online payroll gifts are the only donations that are renewable.

Whether you renew a gift from last year or start a brand new gift this year, you will next be asked to “**Edit your profile.**” Information you enter will be provided to the nonprofits you support through this Campaign so they can acknowledge your gift upon your request. The email address listed in your profile is also where the confirmation email will be sent upon completion of your donation. You should keep a copy of this email for tax purposes.

Select “**Continue**” when you have finished updating your contact information.

Note: If any prior year donations are not reflected in your giving history, it may be due to one of the following reasons:

- a. You gave by credit/debit card, electronic check, or paper check.
- b. You gave to a charity that is not eligible in the current Campaign year. Charities that are not listed may not have applied or may not be eligible to participate.
- c. You gave by paper pledge. Only online pledges are retained in the giving portal.

To obtain pledge history, please contact Donor Services Help Desk by any of the following methods:

Option 1 = Email: mcc@charities.org

Option 2 = Phone: 571-458-1072

Option 3 = Donor Services Help Desk: www.charities.org/support

Donors *WITHOUT* Giving History:

After clicking “**Pledge Now**” from the landing page, you will be asked to “**Edit your profile**.” If you opt in at the end of the giving process, information you enter will be provided to the nonprofits you support through this Campaign so they can acknowledge your gift. The email address listed in your profile is the same email address to which your confirmation email will be sent upon completion of your donation. You should keep a copy of this email for tax purposes.

Select “**Continue**” when you have finished updating your contact information.

Step 2: Select a Payment Method

You may support your favorite nonprofits online via the following payment methods:

- **Payroll Deduction**
- **Credit Card or Debit Card**
- **Electronic Check**

Click “**Add**” to choose a payment method. You will then see a screen prompting you to set up your gift payment frequency and amount based on the payment method you selected.

NOTE: To donate using multiple payment methods, please complete all donations for each payment method in separate transactions. For example, if you select “Payroll Deduction,” choose all the charities you would like to support via payroll deduction and complete the donation process. After you submit your payroll deductions donations, then go back and select a different payment method, for example “Credit Card,” then choose the charities you would like to support by credit card, and complete the donation process for those charities.

Payroll Deduction: The amount you enter is the amount you would like deducted from your paycheck **each pay period**.

1. Once you enter an amount, it will automatically use the number of pay periods to calculate your total annual gift. That information will display on the right side of your screen under the “**Your Pledge So Far**” section.
2. In the next step, you will allocate the total annual gift amount between your designated charities.

Credit Card or Debit Card:

1. The amount you enter is the **total annual gift** amount you would like to donate. That information will display on the right side of your screen under the “**Your Pledge So Far**” section.
2. In the next step, you will allocate that total annual gift amount between your designated charities.

Electronic Check:

1. The amount you enter is the **total annual gift** amount you would like to donate.
2. For information on how to locate banking information, click the icon next to **"Bank Account."**
3. Be sure to check the box at the bottom to authorize the transaction.

Once you have finished entering your payment method preferences, click **"Continue"** to find charities to support.

You can always return to this step later in the process to adjust the total amount you would like to donate.

Step 3: Choose Your Favorite Charities to Support

To find charities to support:

Click the **"Find a Charity"** button.

1. A pop-up box will appear. Use the charity name, city, state/territory, or Employer Identification Number (EIN) search features to find a specific charity or click through the alphabetical list.
2. You can select as many charities to support as you would like. As you find charities you want to support, click **"Add"** and they will appear highlighted in blue under **"Selected Charities."**
3. Click the orange **"Add to Designations"** button. The organization(s) you selected will now display on your list of designations.
4. Next, allocate your total pledge amount between the charities you added to your list of designations. To specify how much money to donate to each, use the slider tool or enter the exact amount in the donation box next to the charity.
5. If you do not designate a charity, your donation will be considered as undesignated funds. Undesignated funds are not designated to a specific MCC charity by a donor and/or are moneys raised during special events. The Executive Order requires undesignated funds to be distributed proportionally among the participating charities based upon the percentage of funds designated to each charity.

To adjust the total annual amount you would like to pledge, click the **"Previous"** button to return to the payment method screen. The charities you selected will all remain saved on your list until you are ready to submit your pledge.

When you have finished allocating your donation between charities, click **"Continue."**

Step 4: Submit Your Pledge

1. You will have one final chance to review your gift and designations, and will be able to select whether your gifts remain anonymous or grant permission to share your contact information with the charity(ies) you selected.
2. Click “Finish” to submit your pledge.

Step 5: Repeat Process to Make Additional Donations or to Modify Your Gift

If you would like to make additional donations or edit your pledge, you may edit your payroll donations anytime during the Campaign enrollment period. To cancel or modify a credit card, debit or electronic check donation, please contact America's Charities at 571-458-1072 or mcc@charities.org.

1. Log into the pledge site and click “**Pledge Now.**”
2. You will be given two options:
 - a. “**Modify a gift from this Campaign.**” If you would like to edit a payroll deduction pledge you already submitted, select **Modify A Gift...** open your existing pledge and make your edits. You can only modify a gift while the campaign is actively open.
 - i. You **MUST** complete all steps of the pledge process to return the gift to a completed status, **otherwise the gift will not be processed**. Modifications to credit card, debit card or electronic check donations must be made through America's Charities at 571-458-1072 or MCC@charities.org.
 - ii. “**Start a new gift and designation.**” Select this option if you would like to make a new credit card or new payroll donation.
3. Once you select an option, follow steps 1-4 from this guide to complete your pledge.

Maryland Charity Campaign Frequently Asked Questions

1. WHEN DOES THE MARYLAND CHARITY CAMPAIGN (MCC) TAKE PLACE?

The 2022 MCC runs from October 3 to December 12, 2022.

2. WHY SHOULD I CONTRIBUTE THROUGH THE MCC?

The MCC is a convenient, cost-efficient method to donate through the ease of payroll or pension deduction, credit or debit card, or electronic check! The MCC also:

- **Is accountable:** All participating charities have been pre-screened by the Office of the Secretary of State to ensure that they are trustworthy and meet the requirements to participate.
- **Makes a difference:** The community can see the tangible commitment of State employees and retirees and know that their altruism is making an impact across Maryland and beyond.
- **Creates an opportunity:** State employees and retirees may contribute to charitable organizations in a uniform process through one annual campaign.
- **Gives donors the power:** Donors choose the amount and the charity or charities to receive their gifts thus providing donors the opportunity to contribute to one that touches their hearts.
- **Is tax deductible:** All funds given to charities through the MCC are tax-deductible.
- **Is easy:** Donors can choose how to give: through payroll or pension deduction, a one-time credit or debit card contribution, or a one-time gift by electronic check.

Read more reasons why you should give [on this page](#).

3. ARE PAYROLL DEDUCTION DONATIONS TAKEN FROM PAYCHECKS PRE- OR POST-TAX DEDUCTION?

All payroll deductions are done post-tax deduction, meaning that your taxes are taken out of your paycheck *before* your donation is deducted. In other words, your donations are deducted after your taxes are deducted.

4. WHAT HAPPENS TO UNDESIGNATED CONTRIBUTIONS?

Undesignated contributions are distributed among MCC-participating charities based upon the percentage of the designated funds they receive. If a donor does not designate a charity to receive their donations, meaning a designation is not specified, those funds will be treated as undesignated. Charity write-ins are not permitted.

5. WHAT HAPPENS IF A CHARITY I WANT TO GIVE TO ISN'T LISTED?

The Office of the Secretary of State vets every participating charity to determine its eligibility to participate in the MCC. Only those charities listed have been approved to participate in the MCC. Charities that are not listed may not have applied or may not be eligible to participate. You may direct your favorite charity to question and answer #23 regarding applying in the future.

6. HOW DOES A CHARITY BECOME PART OF THE MCC?

Each charity must apply annually and meet the criteria set forth in the Executive Order.

7. IF I CHANGE JOBS WITHIN THE STATE GOVERNMENT, WILL MY PAYROLL DEDUCTION CONTINUE?

Yes. If you transfer, please contact America's Charities at mcc@charities.org or call 571-458-1072.

8. HOW MUCH MONEY DID THE MCC RAISE LAST YEAR?

In 2021, more than 6,400 Maryland employees and retirees raised more than \$2 million - \$2,050,426 to be exact - through the MCC for more than 1,000 worthy causes.

9. WHO ADMINISTERS THE MCC?

The Office of the Secretary of State administers the MCC.

10. WHO PROCESSES MY DONATIONS?

[America's Charities](#), as the Operating Agency, processes all donations.

11. WHAT IS THE MCC'S ADMINISTRATIVE FEE?

The administrative fee for the MCC's Operating Agency is a flat amount established in the contract with the State. The fee is based on a percentage of the actual amount raised in the 2021 Campaign, but cannot exceed 11.79%.

12. DOES THE MCC SET A QUOTA ON CONTRIBUTIONS TO LARGER CHARITIES OR REDIRECT CONTRIBUTIONS TO SMALLER CHARITIES?

No. No quotas for contributions exist for charities of any size, large or small. All contributions designated to eligible charities go to those charities. Undesignated dollars are distributed among the charities based upon a percentage of the designated funds they receive.

13. HOW DOES MY CHARITY RECEIVE ITS CONTRIBUTION?

After the Campaign ends, donations are distributed to charities quarterly.

14. WHAT TAX INFORMATION DO DONORS NEED TO KNOW?

Donors should consult their accountant or tax advisor to answer questions about tax benefits.

16. WHAT SECURITY MEASURES ARE IN PLACE?

Protecting personal information is critical, and security is our top priority. In addition to complying with the State of Maryland's rigorous security requirements, America's Charities' Simply Giving platform provides state-of-the-art security to prevent any data from being compromised and requires email verification. Each employee donor is required to create an account and verify his/her work email address.

17. HOW CAN DONORS ACCESS THEIR PREVIOUS PLEDGE HISTORY?

Donors can access their 2021 MCC pledge/payment receipt on the giving portal:

- Donors should [click here](#) to visit the giving portal.
- Then click **"Sign In"** from the top right corner of the site and log in or create a new account, per the instructions listed in #15.
- Once the donor is logged in, their work email address will display in the upper right corner of the screen.
- Click **"Pledge Now"** to start the pledge process.

- The donor has the option to start a new gift or renew their gift from the previous year's Campaign. To renew, click **"Renew a Gift from Last Year"** to proceed. On the next screen, they will see a radio button that says **"2021 Gift."** Click the radio button, and the site will show his/her 2021 history.

If a prior year's donation is not available, it may be because the donor gave by paper pledge, or a one-time donation (i.e., credit card, debit card, or electronic check), which is not available in the giving portal. Only payroll deduction pledges are retained in and renewable through the giving portal. Alternatively, it may be because they gave to a charity that is not in the current Campaign. Donations to charities that are no longer eligible are not renewable. To obtain this information, please contact the MCC Help Desk by email: mcc@charities.org, phone: 571-458-1072, or Donor Support Services Portal: www.charities.org/support

18. WHAT HAPPENS TO DONORS' GIFTS IF A CHARITY THEY PLEDGED TO CLOSES?

In the event that a charity closes, the donor will be contacted to determine if the pledge should be re-designated, canceled, or reassigned as undesignated. If the gift is reassigned as undesignated, it will be distributed proportionately to all of the charities that received contributions in the Campaign. See #4 for more details.

19. HOW DO DONORS SEARCH FOR A CHARITY?

There are three ways to find a participating charity:
